

Single Dad, Nurse Bride

Dangerously handsome Dr. Dane Hendricks certainly isn't nurse Rikki Johansen's usual type. For one thing, she thinks he's arrogant and overbearing, and for another, he assumed she was scatterbrained and incapable of making good decisions. So why is he so adamant about taking her on a date? Rikki soon discovers that Dr. Dane is actually a kind and sensitive dad, and, like her, he's one of life's survivors. A foster mother herself, Rikki knows she can bring Dane's adorable twin girls and their gorgeous dad the happiness they deserve.
