

Socks for Christmas

This touching, funny, heartwarming and true story will become an instant Christmas Classic. In the late sixties, New York Times bestselling author Andy Andrews thought he was having a very good Christmas. He got the Incredible Edible Machine and the G.I. Joe he asked for. He even got a white belt. He also got socks from his Aunt Jane--unarguably a very lousy Christmas gift. How could he know that those lousy socks would change Christmas and him forever. Includes a CD with the authors performance of Socks.
