

Somerset (Landmark Visitor Guide)

A guide to Somerset, divided into seven chapters with itinerary-based tours around each area. The author was born and grew up in Somerset. Following a general introduction to the area, the book is structured in the form of guided leisurely itineraries covering all the popular places of interest, events and attractions, together with many lesser-known features. The Landmark FactFile is a comprehensive listing of all practical information essential for a successful holiday. The book was previously published by Moorland.
