

The Many Galaxies of Mickie Dalton (The Mickie Dalton Trilogy Book 2)

Nearly a year has passed since Mickie Dalton began the search for his origins. But as the Ship continues its deep-space travels, Mickie's powers grow and he uncovers vital clues as to the whereabouts of the Pfafth. But not only are his powers growing, so too are those of the ancient Enemy, the Sillaron. Mickie must now follow the Pfafth to their hiding place, a Space out of Space and a Time out of Time. Before the Sillaron find them first. The author Michael Davies is a retired IT executive with a writing career spanning two decades. He has a Masters Degree in Business Administration and is the founder of the Mickie Dalton Foundation, a literary funding organization for writers. Since 2002, he has lived in New South Wales
