Feeling the heat. On the Runway has become a global phenomenon, and when Paige and Erin Forrester take their reality show to London, they get a reception to remember. Bombarded by crazed fans and the flashbulbs and interrogations of the infamous British paparazzi, the sisters know that their lives have changed big time. Star treatment has its perks, but the girls quickly learn just how scorching life in the limelight can be. Before long, the sisters are stretched close to a breaking point. With zealous paparazzi poised to take advantage of even the slightest whiff of a scandal, the stakes have never been higher.
