

Starstruck (A Truth, Dare, Kiss, Promise Novel)

Can every promise be kept? Squidge is over the moon. He's just started going out with the beautiful Lia, and he's been hired to help out with the production of a movie that's being filmed in town.

When Lia challenges Squidge to a game of Truth, Dare, Kiss or Promise, Squidge promises her that he will always be open and honest. But things get complicated when the film crew arrives and Savannah, the celebrity teen star of the film, starts to show an interest in him. Will he be able to keep his promise to Lia, and what will become of their relationship? The fourth book in the popular TRUTH, DARE, KISS, PROMISE series.
