

Florida Native Peoples (State Studies: Florida)

Who were the first people to live in Florida? What happened when Europeans arrived in Florida? How did the Timucua Indians make their canoes? You can find the answers to these questions in this book, which contains all kinds of interesting facts that tell the story of the people who lived in Florida from 10,000 years ago to the present day. Inside, you will find information about the first people who lived in Florida. You will learn about the different Native American tribes that have called Florida home and the beliefs and practices that make them unique. And, you will find out where the tribes of Florida are located today. Inside you'll find: maps that help you find your way around Florida, photographs that let you see what you are reading about, a glossary, index, and list of more books to read to help you find what you're looking for and better understand it.
