

Turf Wars (Show Jumping Dreams ~ Book 8)

A big name trainer is coming to Sand Hill. Hes bringing a string of horses and clients who all show on the A circuit. For Emily this is a dream come true. This is her ticket to the big leagues. But not everyone feels that way. Sand Hill students are being pushed to the side by the elitist new girls who have their own groom and just show up to ride and Esther doesnt even seem to care. Its like the new trainer has some hold over her and shes letting him run her barn out from under her. So when the new trainer offers to take Emily to an A rated show with his students, she has to make a choice. Honor her friendship with Esther or further her career.
