

A Werewolves Saga: Returning Pain, Books 4, 5, & 6 (A Werewolves Saga Boxed Sets Book 2)

Continue A Werewolves Saga with this 3 book set, which includes the books The Wanderer Awakens, Darkness Rises, and The End Times in one edition. The Saga continues... With the reemergence of a deadly foe, Jimmy and his friends must make their plans by trying to remember the past. Only together can they fight to save the world from the Walkers before they restart the war between them and their once human prey. A Werewolves Saga When the world began, the human race lived as nothing more than cattle. A great group of creatures ruled the world. A small band of humans with great powers emerged from the chaos, and with them, the human race fought for their right to live. When they won the world, the creatures turned to walk the night and the humans won the day. But in the shadows, the darkness lingered. A great evil lived and with it, the Black Wolf has returned a powerful being with something no other Werewolf or Vampire had ever possessed a soul.
