

Suzuki Harp School, Vol 5

The Suzuki Method(R) of Talent Education is based on Dr. Shinichi Suzukis view that every child is born with ability, and that people are the product of their environment. According to Dr. Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a childs potential so he/she can express all that is harmonious and best in human beings. Students are taught using the mother-tongue approach.
