

Sweet Delights: Southern Touch Recipes (Sweet Delights Southern Touch Recipes Book 1)

Living in the south we are known for our sweet tea and southern fried chicken but everything in the south isnt about sweet tea and fried chicken, although it is my husbands favorites! Its a lot more! Sweet Delights is the beginning of a series of recipes that Ive personally used and proven over the years. I have found, over the years, that you dont necessarily need hundreds of recipes in your file but recipes that you love to come back to often. While growing up in Alabama I learned how to make all kinds of meals from scratch, adjust them to know how much seasoning to use to make the perfect dish. However, not everyone can judge by the eye on measurements, so I like to make sure my recipes have the right amounts of ingredients listed so anyone can cook with them. I learned so much from my dear mother-in-law who could make a meal, out of, it seemed like nothing, but she made it look so easy. When you sat down to eat at her table you left knowing you had feast. It is my desire to keep cooking alive in the home. I hope you enjoy these simple and easy to fix recipes for many years to come. The rest of the series will be available soon.
