

Worth Fighting For

Kirsty Moseley brings us the sequel to Fighting to be Free. Its been years since Jamie Coles seen Ellie Pearce. Hes immersed himself in the life hed once fought to leave and taken over his old turf--creating dangerous rivals. He has nothing to lose--until Ellie comes back to town. Ellie has moved on. She met a man in London--a man shes marrying. She hardly allows herself to remember the boy who broker her heart at 18. But when tragedy strikes, Ellies forced to return to New York. She thought she could handle seeing Jamie again, but she cant deny hes still a part of her. Now amidst threats from Jamies enemies and fighting to keep her sister safe, Ellie must decide to return to her fiance or surrender to the fire that still burns with Jamie.
