

## Te daría el mundo / Ill Give You the Sun (Spanish Edition)

Una novela salvaje y profundamente conmovedora, con una brillante historia sobre el primer amor, la familia y la traición. La primera novela de Jandy Nelson, *El cielo está en cualquier lugar*, fue ganadora del Horn Book Award y del YALSA, entre otros premios. Noah y su hermana gemela Jude son inseparables. El solitario Noah dibuja sin parar, y se ha enamorado en secreto de su enigmático vecino. La atrevida Jude salta desde altísimos acantilados, se pinta los labios de rojo y habla hasta por los codos. Pero tres años después, a los 16, los hermanos ya no se hablan. Algo pasó entre ellos que arruinó dramáticamente su relación y los llevó por caminos diferentes. Entonces Jude conoce a un chico guapo, frágil y arrogante... y a alguien más, una nueva fuerza en su vida, todavía más impredecible y ligada a su pasado de forma inevitable. Los primeros años de esta historia los cuenta Noah; los últimos, Jude. Lo que ninguno comprende es que apenas conocen la mitad de la historia. Si tan solo pudieran compartirla... La crítica ha opinado: El estilo de Nelson es tan eléctrico que sus páginas parecen resplandecer en la oscuridad. - Ransom Riggs, autor del bestseller *El hogar de Miss Peregrine para niños peculiares*. Jandy Nelson es un excepcional y explosivo talento. Su prosa es vivaz, arrebatadora y está impregnada de pasión; me recuerda por que las palabras pueden cambiar al mundo. - Tahereh Mafi, autora bestseller de *The New York Times* por la serie *Shatter Me*. Una explosión de color. Ingeniosa... leerla es una experiencia de crecimiento en sí misma - Entertainment Weekly. ENGLISH DESCRIPTION The *New York Times* Bestselling story of first love, family, loss, and betrayal for fans of John Green, David Levithan, and Rainbow Rowell. Jude and her twin brother, Noah, are incredibly close. At thirteen, isolated Noah draws constantly and is falling in

love with the charismatic boy next door, while daredevil Jude cliff-dives and wears red-red lipstick and does the talking for both of them. But three years later, Jude and Noah are barely speaking. Something has happened to wreck the twins in different and dramatic ways . . . until Jude meets a cocky, broken, beautiful boy, as well as someone elsean even more unpredictable new force in her life. The early years are Noahs story to tell. The later years are Judes. What the twins dont realize is that they each have only half the story, and if they could just find their way back to one another, theyd have a chance to remake their world. This radiant novel from the acclaimed, award-winning author of The Sky Is Everywhere will leave you breathless and teary and laughingoften all at once.
