

Terminated (Revivalist)

Already addicted to the pharmaceutical drug that keeps her body from decomposing, Bryn has to stop a secretive group of rich and powerful investors from eliminating the existing Returne addicts altogether. To ensure their plan to launch a new military-grade strain of nanotech, the investors undead assassin who just happens to be the ex-wife of Bryn's lover Patrick is on the hunt for anyone that stands in their way. And while Bryn's allies aren't about to go down without a fight, the secret she's been keeping threatens to put those closest to her in even more danger. Poised to become a monster that her allies and her own lover will have to trap and kill, Bryn needs to find the cure to have any hope of preserving the lives of her friends, and her own dwindling humanity.
