

Tex, the Witch Boy

Being in high school sucks. Just ask Richard Tex McKenna, a Kansas sophomore. Dealing with bullying, burgeoning love, the loss of parents, and dodge ball is bad enough. To top it off, he's just found out he's a witch! Oh, and fellow students are being murdered. The suspicious eyes of local law enforcement are looking right at Tex and his loyal group of friends. And so is the killer. Will Tex's new-found skills prove helpful? Or cause even more problems?
