

You'll hear from me: A gay story about passion and love

Javier is a student who lives an uncomplicated life, until he gets to know the younger brother of his girlfriend. Immediately he feels an almost magical attraction to the boy. Everything on him appears to be perfect: His face, his smile, even the blue trunk he's wearing in the swimming pool. Javier is after him until he finally finds a way to get close to him. *You'll hear from me* is a novel full of deep feelings and devotion. Algorri's clear and intuitive style is alluring and erotically charged, capturing the reader in a web of love and passion.
