

The Biblical Illustrator - Vol. 45 - Pastoral Commentary on Romans

**This ebook version of The Biblical Illustrator - Pastoral Commentary on Romans contains nearly 3800 pages of commentary! What if Charles Spurgeon helped you prepare next Sundays sermon? Or what if you could talk over your preaching with Joseph Parker, Richard Baxter, Henry Ward Beecher and H. P. Liddon. Do you think it would make a difference to get the input of some of the greatest preachers who ever lived? Thats precisely what Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator. In what can only be called a Herculean feat, he spent years gathering preaching notes and sermon outlines from the very best preachers of his day (in the late 1800s and early 1900s), and he did it covering every book of the Bible. And it is amazingly comprehensive. Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past. Though there is plenty of exegetical material here, this is not primarily a commentary. This series is for preachers, teachers, Bible students and anyone else looking for penetrating pastoral insights from some of the all-time greats of the faith.
