

The Boy From the Basement

For Charlie, the basement is home. Hes being punished. He doesnt mean to leave--Father wouldnt allow it--but when Charlie is accidentally thrust outside, he awakens to the alien surroundings of a world to which hes never been exposed. Though haunted by fear of the basement and his fathers rage, Charlie embarks on a journey toward healing and blossoms when he becomes an unconditionally loved and loving member of the right foster family. This carefully crafted and authentic portrayal of Charlies emotional and physical abuse is gracefully matched by Susan Shaws inspiring and deeply moving story of recovery.
