

Daddy and Daughters (Daddy Boom)

Double trouble! Jared Hunter came back from an overseas trip to discover that he had not one, but two adorable two-year-old daughters he'd known nothing about! Desperate, he begged help from the one employee in his office who knew how to look after children Cassandra Bowles. It wasn't long before Cassie fell in love with the twins and Jared, but when he asked her to marry him she was furious! She couldn't deny the attraction between them, but how could she make him see that marriage had more to do with love than with baby-sitting skills? DADDY BOOM Who says bachelors and babies don't mix?
