

The Bride Plan (Mills & Boon Cherish) (Second, Book 3)

Groom needed! As proprietor of the Second-Chance bridal salon, Chessie couldn't exactly avoid thinking about weddings. But her friend's quest to find her a man had her running for cover. Her safe haven used to be her shop, until renovator Jace invaded her space. Soon Jace found himself wanting to be the only man in Chessie's life but he'd walked down the aisle once before and vowed never to do so again. So how could he keep things light with a woman whose business was marriage? Especially once her friends dubbed him the perfect groom-to-be!
