

# The Cambridge Bibliography of English Literature: Volume 5, Supplement A. D. 600-1900 (Cambridge Bibliography of English Literature 1)

\*\*\*This is volume 5 of 5 only.\*\*\* This bibliography is a descendant from The Cambridge History of English Literature. With each chapter of the previous work came, with the text, a bibliography. This bibliography has become date and cumbersome. This volume has filled the gap and solved the inconsistencies of that previous volume and the passage of time.
