

## Dark Chapters: Izevel, Queen of Darkness

Slowly, slowly, slowly, Izevel Princess of Tyre, works her influence over her new husband, Ahav, and his kingdom Israel. Leading them away from Adonai, she encourages the unspeakable practices of Baal worship. But despite her best efforts, the Lord and his prophets will not be disposed of so easily. Increasingly driven mad by her own lifestyle, Izevel races headlong towards her own grisly downfall.
