Excerpt: ...laws to the height of injustice, as when he let his troops ravage Poland, though the republic received him as a friend; his mining the town of Them for having Uarbourd a. garrison forced upon jt by Augustus, &c, He HU His marches were prodigious; his exploits almost incredible, and his victories are still remembered with admiration. There was nothing which his own vast courage suggested that he did not think his soldiers capable of undertaking. He was the only man, and even to this time the only king, that behaved without weakness. He pushed all

the virtues of a hero to an excess in which they became imperfections...
