

Songs of the Unsung: The Musical and Social Journey of Horace Tapscott

Despite his importance and influence, jazz musician, educator, and community leader Horace Tapscott remains relatively unknown to most Americans. In *Songs of the Unsung* Tapscott shares his life story, recalling his childhood in Houston, moving with his family to Los Angeles in 1943, learning music, and his early professional career. He describes forming the Pan Afrikan Peoples Arkestra in 1961 and later the Union of Gods Musicians and Artists Ascension to preserve African American music and serve the community. Tapscott also recounts his interactions with the Black Panthers and law enforcement, the Watts riots, his work in Hollywood movie studios, and stories about his famous musician-activist friends. *Songs of the Unsung* is the captivating story of one of America's most unassuming heroes as well as the story of L.A.'s cultural and political evolution over the last half of the twentieth century.
