

The Dashwood Sisters Secrets of Love

The Walker sisters have always lived a privileged life in their beloved Holly House in Sussex. Even though their father, Max Walker, has left the family to live with his new macrobiotic-food-obsessed trophy wife, Pandora, he has always doted on his girls. But then one day, reality crashes down around them when Max has a heart attack and passes away, uncovering the truth that he was knee deep in debt. The Walkers discover that their home is actually in Pandora's name and she decides she wants it back. So the family has to uproot their lives and move to the seaside town of Norfolk in an old cottage. What happens then#133;?
