

Sunnys Dream Team: Book 3 (Party Girls, Book 3)

Sunny may be clever, but ordinary girls like her don't win national magazine competitions. At least, that's what her friends think - until Sunny proves them wrong! Now she's won a dream prize for herself and the gang: a makeover and photo shoot with the magazine, supper in a swanky cafe and an overnight stay in a luxury hotel! But she can only take four friends with her - who on earth is she going to leave out?
