Depending on the translation, The Divine Comedy will present completely different facets to the reader, therefore we have united these 3 Classic Unabridged Translations in one eBook: Carys + Longfellows + Nortons Translation + the Original Illustrations by Gustave Dore, in order to present the very best of The Divine Comedy. This epic poem written by Dante Alighieri between c. 1308 and his death in 1321 is widely considered the preeminent work of Italian literature, and is seen as one of the greatest works of world literature. The Divine Comedy serves as the physical (scientific), political, and spiritual guidebook of Dantes Fourteenth Century universe. The poems imaginative and allegorical vision of the afterlife is a culmination of the medieval world-view as it had developed in the Western Church. It helped establish the Tuscan dialect, in which it is written, as the standardized Italian language. It is divided into three parts: Inferno, Purgatorio, and Paradiso. On the surface, the poem describes Dantes travels through Hell, Purgatory, and Heaven; but at a deeper level, it represents allegorically the souls journey towards God. At this deeper level, Dante draws on medieval Christian theology and philosophy, especially Thomistic philosophy and the Summa Theologica of Thomas Aquinas. Consequently, the Divine Comedy has been called the Summa in verse.
