

The Exeter Anthology of Old English Poetry (Books + DVD) (University of Exeter Press - Exeter Medieval Texts and Studies)

The interactive edition will be an invaluable acquisition of historical and literary significance for most libraries and an indispensable reference work for medievalists and other scholars. The DVD contains the revised second edition of The Exeter Anthology of Old English Poetry . This is linked to a full-colour digital facsimile and images of various other related historical documents. Also included is a new codicological report (with images) on the manuscripts current binding.
