Englishwoman Felicia Gordon should be floating on air. After all, shes engaged to a man who is kind, charming, considerate.... But he doesnt inspire the least amount of passion in her blood.It isnt until Felicia flies to Kuwait to meet her fiances family that she finds the electricity shes been missingin her fiances uncle, Sheikh Raschid al Hamid al Sabah! Raschid is hardly the uncle she imaginedtall, powerful, unnervingly masculine and shockingly arrogant. But beneath Raschids contempt lies a passion that burns hotter than the desert sun, a fire Felicia never knew she craved...until now.
