

The First Circle

By the author of August 1914
The monumental novel by the winner of the Nobel Prize
Translated by Thomas P. Whitney
Back cover: The First Circle is an astonishing piece of political journalism as well as a literary work of art. wrote Harrison E. Salisbury in The New York Times Book Review
It is the modern counterpart of Dostoevskys memoirs... In the Soviet period we have had an endless succession of prison camp revelations. Now, however, the towering figure of Solzhenitsyn appears. He, like Dostoevsky, is a survivor. He, too, spent years in prison and exile... His men and women are flesh and blood; they love; they hate; they laugh; they cry; they gossip; they dream... And suddenly we understand that prison, terror, corruptibility and sadism refine and purify the human ethos.
