

# Alfreds Basic Piano Library: Prep Course Lesson Level A

Alfreds Basic Prep Course, Lesson Book A is specifically designed for beginners who are five years old and up. Through the use of appealing music and attractive illustrations, it is no wonder that Lesson Book A is the most widely used young beginners piano book now available. This course takes into consideration the normal attention span, as well as the small-sized hands of the young beginner. Shortly after beginning, the young student will be able to play Merrily We Roll Along. The complete Prep Course consists of six books (Levels A through F). This course is most effective when used under the direction of a piano teacher or experienced musician.
