

The Gentleman Rogue (Mills & Boon Historical) (Gentlemen of Disrepute)

Inescapable, undeniable and impossible to resist! In a Mayfair ballroom, beautiful Emma Northcote stands in amazement. For gazing at her with eyes she'd know anywhere is Ned Stratham the man whose roguish charm once held her captivated. But that was another life, in another part of London. With their past mired in secrets and betrayal, and their true identities now at last revealed, Ned realises they can never rekindle their affair. For only he knows that they share a deeper connection one that could make Emma hate him if she ever discovers the truth. Gentlemen of Disrepute: Rebellious rule-breakers, ready to wed!
