

## The Georgics (annotated)

Publius Vergilius Maro, October 15, 70 BC – September 21, 19 BC), usually called Virgil or Vergil in English, was an ancient Roman poet of the Augustan period. He is known for three major works of Latin literature, the Eclogues (or Bucolics), the Georgics, and the epic Aeneid. A number of minor poems, collected in the Appendix Virgiliana, are sometimes attributed to him.
