

## The Hidden City (Tamuli)

The final breathtaking volume in the Tamuli series. The pace, as always, is white hot - as are the special effects. As readers will know from Book Two, the Shining One Xanetia can melt her enemies with a touch. Fortunately, she is on the side of our hero, and so is the god Edaemus, whose (literally) volcanic rage will be useful in the continuing fight to save the Tamul Empire from the ravages of sinister King Cyrgon of the Cyrgai. Cyrgon has called forth Bhellioms equal in supernatural power, Klael, the very essence of evil. And while Sparhawk is leading armies of Pandion Knights, Atan giants and Trolls in battle, Queen Ehlana is taken hostage in Matherion by the renegade Styric Zalasta and the madman Scarpa. The price for her return is no less than the Blue Rose. Taken in chains first to the jungles of Arjuna in the South, Ehlana is tracked by Sparhawk using both Delphaeic and Styric magic. But by then Sephrenia has been murdered and Ehlana has been removed to the Hidden City of the Cyrgai. The City is protected by magic and by the invincible Klael. The ultimate battle must be fought.
