

Barden Beedles Eventyr (Hogwarts Library books) (Danish Edition)

Barden Beedles Eventyr, der indeholder fem troldmandsfortællinger, blev overladt til Hermione Granger af Albus Dumbledore i den syvende og sidste bog, Harry Potter og Dodsregalierne, fordi eventyrbogen indeholdt vigtige oplysninger, der var afgørende i Harry Potters kamp for at tilintetgøre Lord Voldemorts Horcruxer. Kun et af eventyrene, De Tre Brodre, blev genfortalt i bogen. I Barden Beedles Eventyr vil de sidste fire eventyr blive offentliggjort for første gang. De fem historier i Barden Beedles Eventyr er: The Fountain of Fair Fortune, The Warlocks Hairy Heart, The Three Brothers (på dansk: De Tre Brodre), The Wizard and the Hopping Pot og Babbitty Rabbitty and her Cackling Stump. Alt overskud fra salget af denne e-bog vil gå til Lumos. Lumos Foundation er en velgørende organisation som er registreret i England og Wales som velgørenhedsorganisation med nummer 1112575.
