

The Lying Game #4: Hide and Seek

Hide and Seek, from Sara Shepards YA Lying Game series, delivers dark family secrets, devious pranks, and nail-biting suspense. Like Sara Shepards Pretty Little Liars series, The Lying Game is now also an ABC Family original TV show. Separated at birth, twin sisters Emma Paxton and Sutton Mercer never had a chance to meet. And now they never will. Someone murdered Sutton and forced Emma into taking her place. Sutton can only watch from beyond the grave as Emma tries to figure out who killed her and why. But as Emma digs deeper, the girls discover that the truth may be far more terrible than they'd ever imagined and the killer may be a lot closer to home.
