

The Moonflower Vine: A Novel (P.S. Series)

On a farm in western Missouri during the first half of the twentieth century, Matthew and Callie Soames create a life for themselves and raise four headstrong daughters. Jessica will break their hearts. Leonie will fall in love with the wrong man. Mary Jo will escape to New York. And wild child Mathys fate will be the familys greatest tragedy. Over the decades they will love, deceive, comfort, forgive?and, ultimately, they will come to cherish all the more fiercely the bonds of love that hold the family together. A rare find?a book you can truly enjoy and recall, long after reading it, with sharp pleasure. - Rita Mae Brown Better than good. This is tremendous. ? St. Louis Post-Dispatch The flavor . . . is much the same as that of To Kill a Mockingbird. . . . The Moonflower Vine is a delightful book. ? Denver Post A distinguished achievement. ?
