

The Naming of the Beasts: A Felix Castor Novel

They say the road to Hell is paved with good intentions, but if you ask Castor hell tell you theres quite a bit of arrogance and reckless stupidity lining the streets as well. And he should know. Theres only so many times you can play both sides against the middle and get away with it. Now, the inevitable moment of crisis has arrived and its left Castor with blood on his hands. Well, not his hands, you understand; its always someone else who pays the bill: friends, acquaintances, bystanders. So Castor drowns his guilt in cheap whisky, while an innocent woman lies dead and her daughter comatose, his few remaining friends fear for their lives and theres a demon loose on the streets. But not just any demon - this one rides shotgun on his best friends soul and cant be expelled without killing him. Looks like Felix Castors got some tough choices to make, because expel the demon he must or all Hell will break loose. Literally . . .
