

## The New Policeman (New Policeman Trilogy)

Who knows where the time goes? There never seems to be enough time in Kinvara, or anywhere else in Ireland for that matter. When J.J.'s mother says times what she really wants for her birthday, J.J. decides to find her some. He's set himself up for an impossible task . . . until a neighbor reveals a secret. There's a place where time stands still at least, it's supposed to. J.J. can make the journey there, but he'll have to vanish from his own life to do so. Can J.J. find the leak between the two worlds? Will a shocking rumor about his family's past come back to haunt him? And what does it all have to do with the village's new policeman . . . ?
