

The No-Gun Man

As a young man Monte Calhoun was as wild as they come, thinking the measure of a man was how hard he could drink and how straight he can shoot. But several years of schooling back East have changed him. Now, as steadfast and principled as a young Jimmy Stewart, Monte has become The No - Gun Man. The East Coast has civilized him, and hes bringing some of that civilization home to Superstition, Arizona . . . even if it means refusing to avenge the murder of his own father. Montes come back for one reason - to rescue his younger brother from this lawless land and take him back East. But out here in a land of frauds and outlaws and ambushes, a mans principles have a way of folding under pressure - especially in the face of gunfire. And Montes no different. Its only a question of how far hell be pushed before he starts pushing back . . . with a vengeance.
