

Princess in the Middle (The Princess Diaries)

Mia Thermopolis has got everything a girl could possibly want. She's a princess - and she's got a boyfriend! But that's where it all goes wrong. Because Kenny is just NOT the guy she really wants. Michael's the one she's loved forever - but he's going out with someone infinitely cleverer than Mia. Someone who can clone FRUIT FLIES, for heavens sake! Will the story end happily ever after for the Princess of Genovia? Previously published as Third Time Lucky, Princess in the Middle is the third novel in the hilarious, bestselling The Princess Diaries series by Meg Cabot - with a gorgeous cover to celebrate the series' fifteenth anniversary.
