

The Right Horse: Winning More, Losing Less, and Having a Great Time at the Racetrack

Murray, a contributor to the Daily Racing Form, explains everything you need to know about the culture of Thoroughbred horse racing & the fine art of handicapping. He walks both casual racegoers & wily veterans through a winning day at the races, doling out priceless betting tips & track wisdom, & illuminating the vital information on money management that is so crucial to the enjoyment of the racing scene. With dozens of entertaining & spirited stories, Murray takes you through the paddock so you can eavesdrop on the jockeys, trainers, owners, tipsters, & hustlers as they discuss the day's races. He shows you what the track looks like, smells like, tastes like, & how much fun it can be. Illustrations.
