

The Scarlet Letter

The experience of Hester and Dimmesdale recalls the story of Adam and Eve because, in both cases, sin results in expulsion and suffering. But it also results in knowledge specifically, in knowledge of what it means to be immoral. For Hester, the Scarlet Letter is a physical manifestation of her sin and reminder of her painful solitude. She contemplates casting it off to obtain her freedom from an oppressive society and a checkered past as well as the absence of God. Because the society excludes her, she considers the possibility that many of the traditions held up by the Puritan culture are untrue and are not designed to bring her happiness.
