

The Survivor Chronicles: Book 1, The Upheaval (Serial Story #1)

*****This book is the first compilation of an ongoing, horror serial story, due to this fact it does not have a conclusion. The fourth book, The Risen, is the conclusion to this series and is now available. This book is not a survivalist story. Though they are not in this book, the following books in this series do contain zombie-like people.***** The First tremors of the earth were felt at 7:22 EST. time. Every single person felt the rumbling, and experienced the tremors that would forever alter the course of history. Most did not survive. These are the accounts of some of those that did. ***Due to language and graphic content this book is recommended for readers 17 and older.*** This book is 97,531 words and 321 pages.
