

Of Neptune (The Syrena Legacy Book 3)

Emma, who is half human and half Syrena, and her Syrena love Galen, need time together. Alone. Away from the kingdoms of Poseidon and Triton. Emmas grandfather, the Poseidon king, suggests the two visit a small town called Neptune. Neptune is home to both Syrena and Half Breeds alike. But Emma and Galen didnt sign up to be peacemakers between the ocean and land-dwelling, freshwater Syrena. They didnt bargain for meeting a charming Half Breed named Reed, who can barely disguise his feelings for Emma. And they especially didnt expect to find themselves in the middle of a power struggle that threatens not only their love, but their ocean kingdoms. In this stunning conclusion to her bestselling Syrena Legacy, Anna Banks thrills fans with more action and romance than ever.
