

The Poisoned Honey Cake: Roman Mysteries Scrolls 2

Floridius, freelance soothsayer, is afraid that he has lost his talent for seeing the future. Threptus wants to find some titbits of information that his mentor can use to convince people he still has the gift, but will a poisoned honey cake lead to disaster along the way? Join Threptus and Floridius on their hilarious and action-packed adventures among Rome's superstitious underclass, and don't miss this ruder, funnier and still historically accurate companion to The Roman Mysteries.
