

Be Mature (James): Growing Up in Christ (The BE Series Commentary)

Perhaps of all the books in the New Testament, James most squarely focuses on results. His pull-no-punches approach to spiritual maturity, his preference for action over words, makes his text the perfect backdrop for a study of how to grow in our faith. Beloved author and teacher Warren W. Wiersbe leads you through this practical book with advice on how to overcome temptation, control the tongue, effective prayer, and how to practice what the Bible teaches. If you're going to make progress in these areas, you will need a growing faith and dependence on Christ.
