

## This Fierce Splendor

This is a love story you'll never forget. In a classic historical romance from Number 1 New York Times bestselling author Iris Johansen, a bookish beauty and her rogue guide go in search of a city lost to the sands of time - and find a burning passion. Ever since she was a little girl, Elspeth MacGregor has dreamed of completing her father's quest to find the legendary lost city of Kantalan. After poring over textbooks, atlases, and tribal legends, Elspeth knows everything there is to know about the ancient metropolis - except how to reach it. Now she's in search of the man who may be her last hope of reaching Kantalan, despite his dangerous reputation ...or maybe because of it. The last thing Dominic Delaney needs is to lead some stubborn scholar around on a wild goose chase. A wanted man, Dominic has never had time for fairy tales. But there's something about Elspeth's fiery determination that has him willing to suspend disbelief ...and something about Dominic that has Elspeth falling for the wrong man. Now, to reach the magnificent riches of Kantalan, the mismatched pair must first conquer the dark mysteries of desire.
