

Thunder Valley (Thunder Valley Trilogy Book 1)

Thunder Valley is a story about five friends that take an annual camping trip. Love and lust lead to confusion and conflict. All the emotions that can tear lives apart or cement them for eternity are experienced in this thriller/mystery. Best friends become bitter enemies, new friends become lovers and lovers become something unexpected in five short days. Thunder Valley is the first completed novel in a trilogy. Thunder Valley is a little known campground in Northern Minnesota. Rico, Julie, Conner, Dave and Sam take their annual summer trip. The five friends wonder why such a nice campground is so unknown. On the first day of the trip Rico meets the girl of his dreams; Sunny is sexy, smart, and sweet. Rico quickly forms a bond with Sunny. However, behind Sunny is a darkness that will test Rico and put him in the middle of a love triangle with Julie, his best friends girlfriend. Thunder Valley is a love story that will tear friendships apart and bring new loves to the brink of insanity.
