

## Tom Clancys Power Plays: Wild Card

TOM CLANCYS POWERPLAYS When an anonymous e-mail alerts UpLink Technologys operatives to suspicious activity on an exclusive island resort, Pete Nimec goes undercover to investigate. Located off the coast of Trinidad, Rayos del Sol is not just a playground for the worlds richest and most powerful people - its also the headquarters for a joint fiber optic and oil refinery project run by UpLink and Sedco Oil. What Nimec discovers is a plot to drain oil from the United States strategic petroleum reserve and sell it to outlaw nations. And when the islands highly trained security force is sent to take Nimec out - heaven on earth erupts into hell
